Report on Year 5/6 Tag Rugby tournmanet

Braunton Academy

Last week, two teams from Years 5 and 6 competed in the Braunton Learning Community's annual tag rugby tournament held at Braunton Academy.

Southmead was represented by the following children:

A team - Henry Jones (Y6), Finley Jones (Y6), Reuben Jones (Y6), Ed Cork (Y6), Macy Nicholls (Y6), Honey Cotton (Y5) and Kelsey Loftus (Y5).

B team - Archie Goddard (Y6), Finley Grimshaw (Y6), Liam McQueen-Mason (Y6), Harry Hebard (Y6), Grace Parkin (Y6), Jessica Cardew (Y6) and Tarai Rabosea (Y5).

Each team competed in separate pools of teams and played a total of four games of 10 minutes each. In Pool A, Southmead's 'A' team made a fantastic start by winning their first match however, unfortunately, they were unable to maintain the momentum and lost their remaining three games. In the second Pool, Southmead's 'B' team faired a little better, winning two and losing two of their games.

Despite neither of the teams being able to progress out of their respective groups, every team member displayed outstanding team spirit and admirable resilience against some strong opposition and proved to be outstanding representatives of Southmead.

Lastly, we would like to say a huge thank you to Matt Cardew who was our parent lead for the event and Miss Chapman who also helped to support the teams.

A big well done to everyone involved!
