Dear Parent and Carers,

Braunton Academy are organising a virtual choir project and they have invited us to join them. If you would be interested in participating with this project, please find the relevant information below, from Mr Street.

Kind regards,

Mr Nicholas Plumb.

I am inviting you to contribute to an exciting virtual choir project this summer term. All you need to take part is a basic computer with internet access and some basic headphones.

We are going to begin with an arrangement of 'All you need is Love' by The Beatles. Before recording yourself singing I strongly recommend getting to know the song very well and singing along around the house first. It is important when syncing peoples performances during editing that the timing is as close to the original as possible!

If you are not happy with your recording OR you want to try out some different harmonies/parts then don't worry. You can submit up to 3 different recordings all of which can be layered together during the edit to create a wonderful singing choir!

To record your performance you need to first find the Braunton Academy Records Youtube Channel here:

https://www.youtube.com/channel/UCuNEYebqHUMHe2_M6QVeC1q?view_as=subscriber

Then just follow the instructions on the first video: 'How to record yourself'.

In order for me to begin preparing the project please register your interest asap by emailing at the address below: mstreet@braunton.academy.

Happy Singing!

Kind Regards,

M Street.
